The nutritional information provided here was compiled from nutritional information and ingredient listings provided by our food suppliers and distributors and by an analysis generated using an FDA-compliant software analysis program. Values have been rounded in accordance with FDA guidelines. Variations to the nutritional values posted herein may occur due to changes in recipes, ingredients and kitchen procedures caused by regional and seasonal product availability and ingredient substitution and portion size. Therefore, the nutritional values provided herein should be considered approximations and be used for directional purposes only. Guests with special food sensitivities, food allergies or dietary needs should not rely on this information. The Dietary Guidelines for Americans recommend limiting saturated fat to 20 grams and sodium to 2,300 milligrams for a typical adult consuming 2,000 calories daily. Recommended limits may be higher or lower depending upon daily calorie consumption. Any recent changes due to limited-time offers, test products, test recipes, and/or recent revisions in recipes due to changes in supplier, portion, and or operations, may not be included in the nutritional data.
